Appendix - Product Safety Warnings

Safety and compliance information

Use responsibility – Read all instructions and safety information before use to avoid injury.

Battery safety

Charge battery only in temperature ranging from 32℉ to 113℉ (0℃ to 45℃).

CAUTION: Danger of explosion if battery is incorrectly replaced. Replace only with the same or equivalent type of battery recommended by the manufacturer.

Dispose of used batteries according to battery manufacturer's instructions.

WiFi safety

Turn WiFi off in areas where WiFi use is prohibited or when it may cause interference or danger, such as in airplanes while flying.

USB Data Cables

This version supports the USB interface. You can connect your S3 with the

PC via the USB&data cable, copying or moving the files amid the S3 and PC, or browsing the images, record files and video files saved in the S3 via the PC.
1 Insert the USB data cable connector into the USB interface of the S3.
2 Connect the other terminal of the USB data cable with the USB interface of the PC.

CAUTION: The connection to USB interfaces has to be limited to USB2.0 version or higher. The connection to so called power use is prohibited.

Care and maintenance
S3 is an electronic product and should be treated with care, to reduce the risk of fire, electronic shock, or product damage.

- Do not expose this device to rain, moisture, or any type of liquid that corrodes electronic circuits. If your device gets wet, immediate turn the power off. Allow the device to dry completely before using it again.
- Clean the display with a soft cloth, and be careful not to wipe the display with anything abrasive.
- Do not expose your device to extreme heat or cold. For example, do not leave it in the trunk of your car in high heat conditions.
- Do not attempt to open the device other than as instructed in this manual.
- Rough handling can break internal circuitry.
- Do not use harsh chemicals, cleaning solvents, or strong detergents to clean the device.
- Use only the recommended accessories.
- Do not excessive sound pressure from earphones and headphones, which can cause hearing loss.
